REPORTS:

Councilman Barfield said that he appreciates all you folks that make it all possible. I believe things are run like they should be, we get no phone calls, no water is running down the streets and I enjoy working with you all as a group.

Councilman Benjamin said that he is glad to see everyone, I missed everyone. I had an extensive stay in Atlanta, I am still in recovery and I thank you all for your thoughts, prayers and concerns. I was talking to people in Atlanta while I was there and told them all things are open for discussions. We have a good Council and this is a very gratifying time. I think we have come to a lot of good decisions with no bickering and fighting and that is a very good thing. I would like to thank Jonathan and the Mayor for keeping me informed, please keep me in your prayers and I would like to thank all departments for what they do each day.

Mayor Pro Tem Davis said welcome back to Councilman Benjamin we missed you and thank you for your service. You have a lot of experience and I am glad to serve with an experienced Councilman. I enjoy it. People often ask me why do you do this. I am being a part of how the community works and that feels good. We will have the retreat tomorrow here at the Courthouse if you would like to attend.

Councilman Warren said welcome back to Councilman Benjamin, we do have a great team. We all attended the SDS meeting Monday night and for the first time we were the Hahira delegation. It was very interesting. There was not a lot in the Media about it but I would like to know what other people thought, I must say we were well represented. It is a pleasure to serve. Thank you.

ADJOURN.

MAYOR BRUCE CAIN

CITY CLERK LISA MASHBURN
